 pictavo™

GREAT PERFORMANCES

elicit an encore.

GREAT STORIES

inspire a sequel.

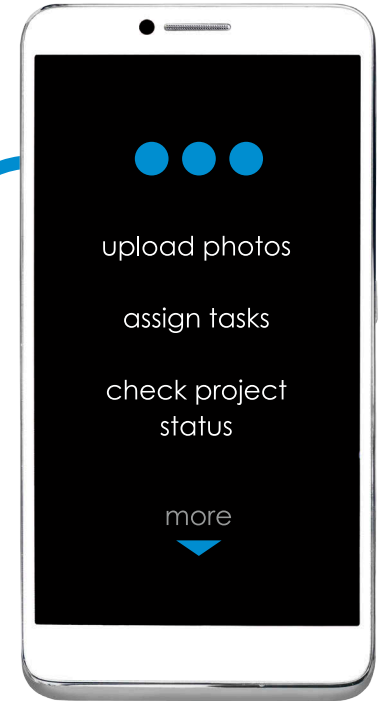

GREAT YEARBOOK SOFTWARE

is tough to beat.
(and yet we did just that)

 pictavo™

EXPERIENCE PROFESSIONAL DESIGN TOOLS you won't find anywhere else!

Pictavo makes it easy to work on-the-go with desktop, laptop, tablet and mobile capabilities!

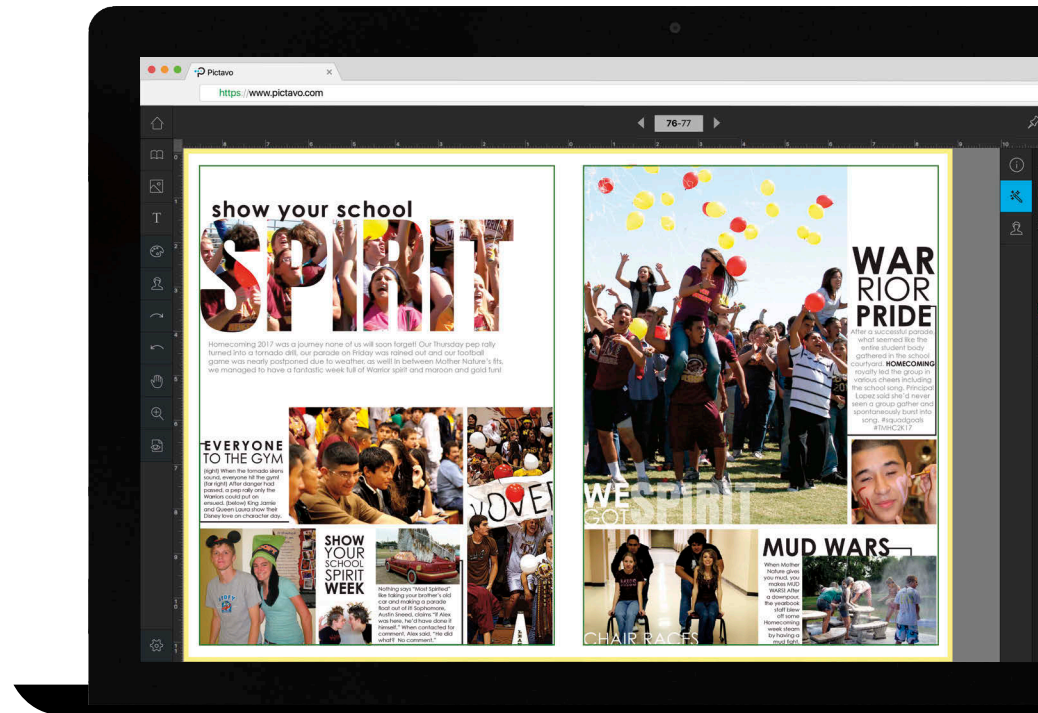

Upload photos directly into Pictavo from any device or drag and drop them in to unlimited folders or onto a page.

Use top-notch organizational tools to set individual user permissions and preferences, create events and assign tasks.

Upload your school's roster to track coverage and sales.

Add events and edit pages, up until your one-and-only deadline.

MAXIMIZE EVERY MINUTE

www.pictavo.com

pictavo™

Drag and drop images directly from your desktop onto pages or into photo boxes!

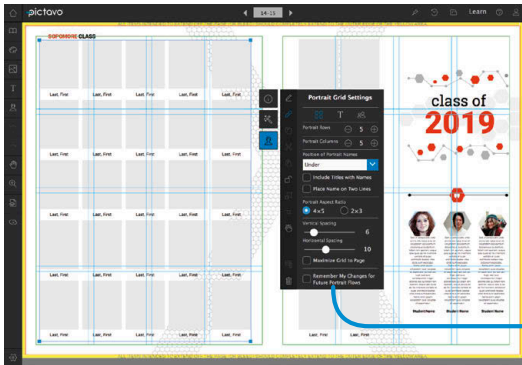

Set and move tabs to easily create scoreboards, or use Pictavo's Snippets to save time.

Apply any color to Pictavo's colorable accents to easily add professionally-designed graphics to your layout.

Using Pictavo's RGB or CMYK values makes it possible to create matching elements in other programs. Find just-the-right colors from 2,000+ options and save them for use throughout your book.

Build portrait pages before receiving images from your photographer.

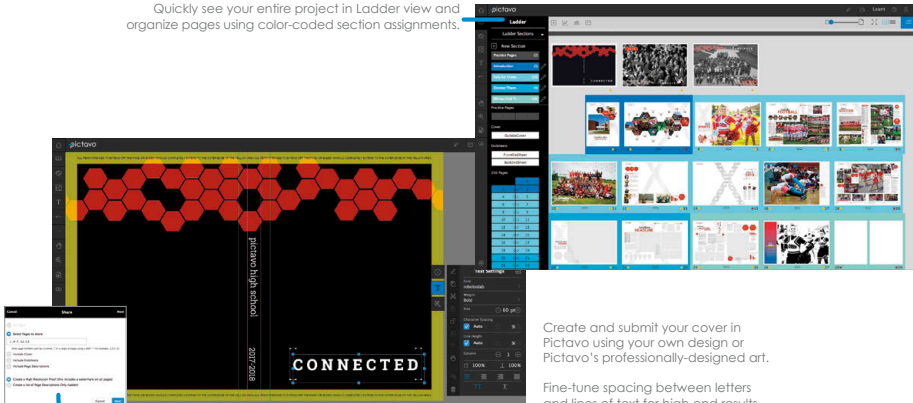

Save portrait grid settings for reuse.

Load your school's portrait database on your own schedule.

Flow—or re-flow—portraits with ease.

YEP, YOU READ THAT RIGHT
Portrait panel precision like you've never seen before!

Quickly see your entire project in Ladder view and organize pages using color-coded section assignments.

Create and submit your cover in Pictavo using your own design or Pictavo's professionally-designed art.

Fine-tune spacing between letters and lines of text for high-end results.

View high resolution PDF files of your entire book or selected pages.
